*NYSADSP is seeking presenters of all types for their 2018 Symposium. The goal of the Symposium is to share creative ideas, program techniques, and best practices to enhance the support provided to people with developmental disabilities across the state. Attending the Symposium will be direct service professionals, supervisors, clinicians, managers, people supported and their families. We are looking for presentations on various topics including volunteer and work opportunities, autism, community integration, services for specialized or challenging consumers, individualized planning, promoting individual choice, innovative programming, personal futures planning, quality assurance/quality improvement strategies, staff development and other best practices.*

- Hour and a half long sessions
- Knowledge sharing
- Professional Development
- Variety of Topics
- Best Practices

**NYSADSP**

The vision of the **New York State Association of Day Service Providers** is to help provider members develop quality community-based vocational, volunteer, educational and social activities that maximizes each participants personal growth and enriches their life experience. This is achieved through inter-agency collaboration, advocacy, training and innovation.
