

NEW YORK STATE ASSOCIATION OF DAY SERVICE PROVIDERS

The Mary Frawley Memorial Grant 2019

NYSADSP is proud to once again offer applications for the Mary Frawley Memorial Grants. The Grants are available for various day service programs and we encourage a wide variety of programs to apply- Day Habilitation, Community Habilitation, Supported Employment, and Pre-Vocational. The Association offers these grants as one of the most important services that the Association provides. Over the years, we have given many agencies across the State the assistance they have needed to create valuable and creative services for the individuals in their program.

The Mary Frawley Memorial Grant Program is provided as a catalyst to develop innovative programs that the agency can then sustain to assist individuals to become more independent and productive in integrated environments.

Grants are awarded based on the merit of the grant and generally range between \$250.00 and \$1,000.00 per award though some awards may exceed this. All Grant recipients will be expected to complete the following:

1. A Final report due in July 2020;
2. Showcase their grant at the New York State Association of Day Service Providers Symposium 2019;
